MEMORANDUM

TO: USSC members
FROM: Staff
SUBJECT: Task assignments from the January 9, 1998 meeting

Listed below are the task assignments from the last USSC meeting. The next meeting is scheduled for **Wednesday, April 8, 1998, at 10:00 a.m. in Brigham City**; the specific location will be announced on the meeting agenda.

Walt Arabasz

Organize meeting with the Utah Office of Education, available USSC members, and key spokespersons from the Engineering and Architecture Standing Committee to discuss peer review of structural designs for new school construction.

Walt Arabasz, Standing Committee chairpersons, interested USSC and Standing Committee members, and other interested individuals

Attend meeting to discuss USSC strategies for action in 1998 (especially relating to growth-and-development issues), scheduled for February 17, 1998, 8:30 a.m., Rm. 4112 of the State Office Building.

Walt Arabasz, Representative Knudson, staff

Organize or serve as a planning subcommittee to arrange an agenda and logistics for the April 8, 1998 USSC meeting in Brigham City.

Lee Allison

Organize meeting with legislative and Governor's fiscal analysts, agency directors, USSC Chairman Walter Arabasz, and USSC members Suzanne Winters and Senator Craig Peterson to explore how to seek legislative funding for state earthquake-related needs that cross departmental boundaries.

Gary Christenson

Revisit the geoscience priorities in the Strategic Plan for Earthquake Safety in Utah in the February 11 meeting of the Geoscience Standing Committee.

Staff

Monitor progress of the Salt Lake County Geologist in his attempts to improve the process of reviewing special fault studies in Salt Lake City.
