UTAH SEISMIC SAFETY COMMISSION Quarterly Meeting

AGENDA

10:00 a.m., Wednesday, April 8, 1998
Bridgerland Applied Technology Center
325 West 1100 South
Brigham City

- | | | |
|------------|---|----------------|
| 10:00 a.m. | Welcome, approval of minutes | W. Arabasz |
| 10:10 | The serious danger of a "big one" on the Wasatch fault's Brigham City segment (from pre-1847 geologic history) | G. Christenson |
| 10:20 | The threat of damaging, moderate-size earthquakes in northern Utah (from post-1847 history) | W. Arabasz |
| 10:30 | Given Utah's dramatic growth and development, what actions can be taken now to make a real difference in future earthquake safety? Review actions and strategies proposed by standing committees and identify top actions for strong advocacy by the Commission during 1998 | Commission |
| 11:00 | Open discussion between Seismic Safety Commission members and invited public officials: What defensive actions can be taken to advance earthquake safety in northern Utah? How can USSC help? | |
| 11:50 | Staff report:
1) Update on review process for special fault studies in Salt Lake City
2) Status of meeting with Utah Office of Education regarding new school construction
3) 1998 USSC Conference | |
| 12:00 | Confirm date for July meeting, adjourn | |
